**Minors under 14 years of age** are allowed to work in certain occupations (e.g., street trades, agriculture, and work in school lunch programs. See the Wisconsin Employment of Minors Guide, ERD-4758-P, for more detail). These minors are subject to the same hourly and time of day restrictions as minors who are 14 or 15 years of age.

**Minors 16 & 17 years of age** who are employed after 11:00 pm must have 8 hours of rest between the end of one shift and the start of the next shift.

# Employee Rights Under Wisconsin's Business Closing/Mass Layoff Notification Law

---

Under Wisconsin law, employees have certain rights and employers have certain obligations to give proper notice to their employees and others before taking certain actions.

## What is a "business closing" or "mass layoff?"

A "business closing" requires notice if there is a permanent or temporary shutdown of an employment site of one or more facilities or operating units at an employment site or within a single municipality that affects 25 or more employees (not including "new" or "low-hour" employees).

A "mass layoff" requires notice if there is a reduction in the workforce that is not a "business closing" and which affects the following number of employees (excluding new or low hour employees) at an employment site or within a single municipality:

1. **At least 25% of the employer's workforce or 25 employees, whichever is greater or**
2. **At least 500 employees.**

Employees are counted if their employment is terminated (not including discharges for cause, voluntary departures or retirements), if they are laid off for more than 6 months, or if their hours are reduced more than 50 percent during each month of any 6-month period, as the result of a business closing or mass layoff. New or low-hour employees - who have been employed for fewer than 6 of the 12 months preceding the date on which a notice is required or who average fewer than 20 hours of work per week - are **not** counted.

## Who must provide notice and when?

With certain exceptions, businesses employing 50 or more persons in the State of Wisconsin must provide written notice 60 days before implementing "business closing" or "mass layoff" in this state. The federal or state government (and their political subdivisions), charitable, or tax exempt institutions and organizations and independent contractors are not covered under this law and do not have to provide notice. Additional exceptions exist in various situations involving strikes or lockouts, sales, relocations, temporary or seasonal employment, unforeseeable circumstances, natural or man-made disasters, temporary cessation in operations, or businesses in financial trouble.

## What employees are entitled to receive notice?

Employees are entitled to receive notice if they are counted as part of "business closing" or "mass layoff." New or low-hour employees may also be entitled to receive notice in situations where there is a "business closing" or "mass layoff."

## What can employees recover if notice is required and not given?

If an employer implements a "business closing" or "mass layoff" without providing required notice, an affected employee may recover back pay and benefits for each day that required notice was not provided (up to a maximum of 60 days). An affected employee may also recover attorney fees and costs in a lawsuit.

# NOTICE TO WISCONSIN WORKERS WITH DISABILITIES PAID AT SPECIAL MINIMUM WAGE

---

## Wisconsin Minimum Wage, Hours of Work and Overtime Laws

Generally, employees are covered by Wisconsin's minimum wage and overtime law provisions. The law requires payment of not less than the minimum wage for all hours worked, and payment of time and one-half an employee's regular rate of pay for all hours worked over forty in a work week. There may be other requirements. **Child labor law provisions apply to employees under 18 years of age.**

## Special Minimum Wages under DWD 272.09

Workers whose disabilities impair their ability to perform their work may be employed under a special minimum wage license issued by the Department of Workforce Development. This establishment has such a license. The rates must reflect the productivity of the worker compared to the productivity of a worker not disabled for similar work, and to the wages paid to experienced workers performing the same or similar work in the vicinity.

To be able to pay less than the standard applicable minimum wage, this facility must also have a certificate under Section 14(c) of the Fair Labor Standards Act (FLSA), issued by the US Department of Labor.

**Effective July 22, 2016**, the FLSA prevents this establishment from employing persons 24 years of age or younger at a special minimum wage unless certain conditions are met. The Division of Vocational Rehabilitation (DVR) will provide documentation that these conditions have been met. DVR will also provide career counseling and information and referral services designed to promote opportunities for competitive, integrated employment, regardless of age, to individuals who are known to be employed at special minimum wages every six months for the first year of the individual's subminimum wage employment and annually thereafter for the duration of such employment.

## Worker Notification

The employer shall inform orally and in writing, each worker with a disability, and parent and/or guardian if appropriate, of the terms of the special minimum wage license under which the worker is employed.

## Review Process, Complaints, or Questions

A request for reconsideration or review under this law must be filed within 60 days after learning of the action.

# Employee Protections Against Use of Honesty Testing Devices (Wis. Stat. § 111.37)

---

Employers who use honesty testing must display this poster in one or more conspicuous places where notices to employees are customarily posted.

Honesty tests **can be used** by law enforcement agencies and certain businesses engaged in providing security services, alarm systems, and who manufacture, distribute or sell controlled substances.

## Employee & Applicant Rights

Any legally permitted honesty test is subject to strict safeguards, including an examinee's right to proper notice, the right to discontinue a test at any time and the right to advance written notice of the questions to be asked.

## Enforcement

Victims of unlawful honesty testing may file a complaint within **300 days** after the date the unfair honesty testing occurred, at one of the offices below.

# WISCONSIN BONE MARROW AND ORGAN DONATION LEAVE ACT

**Section 103.11, Wisconsin Statutes, requires all employers with 50 or more employees to display a copy of this poster in the workplace.** Employers with 25 or more employees are required to post their particular leave policies.

Under state law all employers with 50 or more permanent employees must allow employees of either sex:

- Up to six (6) weeks leave in a 12-month period for the purpose of serving as a bone marrow or organ donor, provided that the employee provides his or her employer with written verification that the employee is to serve as a bone marrow or organ donor and so long as the leave is only for the period necessary for the employee to undergo the bone marrow or organ donation procedure and to recover from the procedure.

This law applies only to an employee who has worked for the employer more than 52 consecutive weeks and for at least 1000 hours during that 52-week period. The law also requires that employees be allowed to substitute paid or unpaid leave provided by the employer for Wisconsin Bone Marrow and Organ Donation Leave. Employers may have leave policies, which are more generous than leaves required by the law.

A complaint concerning a denial of rights under this law must be filed within 30 days after the violation occurs or the employee should have reasonably known that the violation occurred, whichever is later.

# LEY DE LICENCIA POR DONACIÓN DE MÉDULA ÓSEA Y ÓRGANOS DE WISCONSIN

La sección 103.11 de la ley de Wisconsin requiere que todos los empleadores con 50 o más empleados pongan una copia de este aviso en un sitio visible en el lugar de trabajo. Los empleadores con 25 empleados o más también deben poner a la vista sus propias políticas sobre licencias.

Según la ley estatal, todos los empleadores con 50 empleados permanentes o más deben permitir a los empleados de cualquier sexo:

- Hasta seis (6) semanas de licencia en un período de 12 meses por ser donante de médula ósea u órgano, siempre que el empleado le dé a su empleador una verificación por escrito de que el empleado será donante de médula ósea o de un órgano y siempre que la licencia sea por el período necesario para que el empleado se someta al procedimiento de donación de médula ósea u órgano y para recuperarse del procedimiento.

Esta ley es aplicable solamente si un empleado ha trabajado para el empleador más de 52 semanas consecutivas y por lo menos 1000 horas durante ese período de 52 semanas. La ley también requiere que se permita a los empleados sustituir licencia paga o impaga proporcionada por el empleador por licencia por donación de médula ósea u órganos de Wisconsin. Los empleadores pueden tener políticas de licencia que son más generosas que las licencias requeridas por la ley.

Una queja referente a la denegación de los derechos según esta ley se debe presentar dentro de los 30 días después de que ocurra la violación o de que el empleado deba haber sabido, dentro de lo razonable, que la violación ocurrió, lo que haya ocurrido último.

# Notice: Updates to Unemployment Eligibility for Social Security Disability Insurance (SSDI) Recipients

Due to a recent federal court order that found that a state statute was contrary to federal law, some individuals who were ineligible for Wisconsin unemployment benefits because they received Social Security Disability Insurance (SSDI) benefits may now be eligible for unemployment benefits. This includes new claims for unemployment benefits and for past unemployment benefits under certain circumstances:

Under the court order, you may receive past Wisconsin unemployment benefits if you meet eligibility requirements **AND** if, from September 8, 2015, through July 29, 2025, you:

- filed an initial claim for unemployment benefits in Wisconsin but were denied because you received SSDI benefits;
- OR**
- had to repay unemployment benefits in Wisconsin because you received SSDI benefits.

If you fit the above, call the Help Center at (414) 435-7069 or toll-free (844) 910-3661 during business hours. The Wisconsin Department of Workforce Development (DWD) will send you a notice by mail at the address you last provided to DWD. DWD is working to resolve these claims, but please note that claim processing will take time.

If you received federal Pandemic Unemployment Assistance (PUA):

- you are not eligible for both PUA and regular unemployment benefits due to federal law;
- PUA claims were paid at a higher rate than regular unemployment benefits; and
- for those reasons, additional unemployment benefits will not be paid for weeks you already received PUA payments.

# Aviso: Actualizaciones sobre la Elegibilidad de Desempleo para los Beneficiarios del Seguro por Incapacidad del Seguro Social (SSDI)

Debido a una reciente orden judicial federal que determinó que un estatuto estatal era contrario a la ley federal, algunos individuos que no eran elegibles para recibir beneficios de desempleo en Wisconsin porque estaban recibiendo beneficios del Seguro por Incapacidad del Seguro Social (SSDI) ahora podrían ser elegibles para recibir beneficios de desempleo. Esto incluye nuevas solicitudes de beneficios de desempleo y beneficios de desempleo anteriores bajo ciertas circunstancias:

Bajo el orden judicial, puede que reciba beneficios de desempleo anteriores de Wisconsin si cumple los requisitos de elegibilidad **Y** si del 8 de septiembre de 2015 al 29 de julio de 2025, usted:

- presentó una solicitud inicial para beneficios de desempleo en Wisconsin, pero se le negó porque recibió beneficios del SSDI;
- tuvo que reembolsar los beneficios de desempleo en Wisconsin porque recibiste beneficios del SSDI.

Si lo de arriba aplica a usted, llame al Centro de Ayuda al (414) 435-7069 o al número gratuito de (844) 910-3661 durante las horas de operación. El Departamento de Desarrollo de la Fuerza Laboral (DWD) de Wisconsin le enviará una notificación por correo postal a la última dirección que ha proporcionó al DWD. El DWD está trabajando para resolver estos reclamos, pero por favor nota que el procesamiento de reclamaciones llevará tiempo.

Encuentre más información en [dwd.wi.gov/uiben/spanish/ssdi.htm](http://dwd.wi.gov/uiben/spanish/ssdi.htm) o escanee aquí:

Si recibió Asistencia federal de Desempleo Pandémica (PUA):

- no es elegible para PUA y beneficios de desempleo regulares debido a la ley federal;
- los reclamos de PUA se pagaron a una tasa más alta que los beneficios de desempleo regulares; y
- y por esas razones, no se pagarán beneficios de desempleo adicionales por las semanas que ya haya recibido pagos de PUA.
